# IPCC Guidelines & Various Other Tools

FAQ website

Launched in 2008

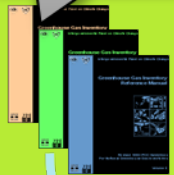

IPCC Inventory Software

Launched in 2012

1995 IPCC Guidelines

GPG2000

GPG-LULUCF

2006 IPCC Guidelines

KP Supplement

Revised 1996 IPCC Guidelines

Emission Factor Database (EFDB)

Launched in 2002

Expert Meetings (Meeting Reports)

# Activities of IPCC TFI (1)

## Main present activities:

- 2019 Refinement to the 2006 IPCC Guidelines for National GHG Inventories
- IPCC Inventory software
- IPCC Emission Factor Database – EFDB

(Will be presented later.)

# Activities of IPCC TFI (2)

## Some other activities

- Annual expert meetings to encourage the use of the 2006 IPCC Guidelines and relevant tools in compilation of national GHG inventories, serving also for testing the software;
- Collaboration with UNFCCC Secretariat at Regional Workshops on the Building of Sustainable National GHG Inventory Management Systems, and the use of the 2006 IPCC GL for National GHG Inventories for DCs
- Support to inventory-related CB programmes/activities implemented by other organizations (e.g. through attendance of TSU staff as resource persons)
- Support to inventory compilers and others who are sending questions throughout the year
- Frequently Asked Questions (FAQs) website – complementing and updating

# Activities of IPCC TFI (3)

## Short-lived Climate Forcers (SLCF)

- The presentation on SLCF will be delivered later.
- The side event on 13 December at 10:00-11:30 in Pavilion H3 (WMO/IPCC), will focus on 2019 Refinement and SLCF more in detail.

# Thank you
