

IPCC TFI Side-event at COP16
Wetlands, HWP and Soil N2O: IPCC response to request from SBSTA

Date	Monday, 29 Nov 2010 13:20—14:40	
Location	Room Águila (Cancunmesse)	
Aim	To report the IPCC Response to SBSTA request in June 2010	
Background	In response to the invitation by SBSTA 32 the IPCC TFI held an expert meeting examining the current IPCC guidance on wetlands, HWP and Soil N2O, and to promote the emission factor database. This side event reports on that meetings and how we are developing the EFDB.	
Presentations	Welcome and Introduction	Taka Hiraishi, Co-chair TFI
	UNFCCC Request	Astrid Olsson, UNFCCC
	Report on Managed Land Meeting	Nalin Srivastava, TSU
	Report on Extra Detail Meeting	Jamsranjav Baasansuren, TSU
	Report on Geneva Meeting	Simon Eggleston, Head TSU
	EFDB	Kiyoto Tanabe, TSU
	Summary	Taka Hiraishi
	Q&A
